

My dream job

Ng Hin Wing, Rain (6B)

When I grow up, I want to be an athlete. It is my dream job. Therefore, I will work hard and never give up to make it come true.

If I become an athlete, I will attend training practices to stay strong and fit. Also, I will travel around to join the competitions and win medals.

My role model is Michael Fred Phelps II. He has won a total of 28 medals. He also holds the all-time record for Olympic gold medals.

I think everyone should never give up on chasing their dreams. I will do everything I can to make my dream come true.

Michael Fred Phelps II
