

A visit to Grace Children's Centre

Lai Kei Yu, Mary (3A)

On Tuesday, my classmates and I visited Grace Children's Centre. We arrived there early in the morning. My classmates and I did a lot of things there.

First, we handed out some gifts to the children. The gifts were stationery items. Then, we performed a puppet show. The children liked the puppet show. After lunch, we played games with the children. The children were happy. After we played hide-and-seek, we cleaned the floor. Then, the floor was clean. After cleaning the floor, we were hungry and tired. So we cooked some food to eat. The food was yummy. In the end, we slept in the room.

I enjoyed the visit very much. I want to do more to help the children. For example, I can help them to paint the bookshelves and clean the floor. I hope I can visit the children again.
