

Buying a present

Cheung Kwan Lok, Aidan (3A)

Sam is at Thomas' Toy Shop. He wants to buy a doll for his sister. It is because it is his sister's birthday on Saturday.

Then, Sam sees a colourful robot. It is eighty-eight dollars. He feels excited. He buys the robot but suddenly he says, 'Oh no! I don't buy a doll for my sister.'

In the end, his sister is angry. He goes back to Thomas' Toy Shop to return the robot and buy a doll.
