

# The school picnic

Cai Mingyou, Jamy (3C)

It is the school picnic at Zoe's school. Zoe and her classmates go there by bus. They feel excited.

First, they have a picnic. They have some sandwiches, hamburgers and some juice. They feel satisfied because they are full. Next, Zoe goes to fly a kite. She feels happy. Suddenly, the thread of the kite is broken. 'Oh no! My kite!' Zoe is worried because the tree is so tall. She can't get the kite.

Finally, many monkeys climb up the tree. One monkey put the kite on the ground. Zoe takes the kite now and she is surprised because she thinks she is lucky. In the end, she flies a kite again.
