

Preparations for Open Day

Law Wai Chun, Andy (4B)

20th February, 2023

Sunny

Open Day will take place next week. Our parents, schoolmates and people from the public will be invited to visit my school Open Day.

There will be a game time, a magic show and a lucky draw. Children can play games in the playground. Then, they will have a magic show in Stem Lab. Also, they will have a lucky draw in Art Room.

Our classmates and I will do some preparations. Peter and Tome will decorate the classroom with balloons. John and I will set up the stalls and put up the posters.

I will try my best to finish the preparations. I look forward to see you on my school Open Day. I am very excited. I hope that day will come very soon.
