

Getting lost

Ip Bing Bing, Icy (4B)

Phoebe and Annie were good friends. One day, Annie called Phoebe. Phoebe asked, ‘What are you going to do tomorrow?’ Annie said, ‘I am going to go to the sports center. Let’s play badminton together.’ ‘Ok,’ said Phoebe. ‘How do I get to the sports center?’ said Phoebe. ‘Go out of Kwai Fong MTR Station Exit A. Turn left. Walk past the bakery and the convenience store. Walk across the road. The sports center is in front of you.’

The next day, Phoebe got lost because she could not remember the directions. She was worried. She saw a shop and went into the shop and asked the owner how to get to the sports center. In the end, she got to the sports center.
