

## A person I admire

Hu Thomas Ka Tung (5B)

Have you even watched the movie 'Mom's Wonder Boy'? It's about a person I admire, So Wa Wai, the famous Hong Kong athlete. He's called 'Wonder Boy' for a reason.

So Wa Wai was born in Hong Kong in 1981. He was diagnosed with an illness which made him half deaf for his entire life, but that didn't stop him from being the best runner in the world! He has been a full-time athlete for twenty years.

So Wa Wai is not just hard-working, he's also very brave. He attempted to join many relay races and individual races. He won many awards. He also joined the Paralympic Games. Although he was disappointed when his relay team lost, he still believed in himself and continued his race. He won the 200m race and broke his own record. He finished the race in 24.31 seconds! Isn't that great!

So Wa Wai is definitely a great role model for the next generation. I shall finally finish this article with a quote from him: Confidence is the key, don't let minor mistakes stop you, never give up!
