

# A visit to Grace Children's Centre Kan Yi Yan, Lyan (3B)

On Saturday, my family and I visited Grace Children's Centre. We arrived there in the morning.

First, I played games with the children. Then, my mum tidied up the bookshelves and painted them. And then, my dad cooked lunch for the children. After lunch, I sang a song with them. The children felt so happy and grateful. The children said thank you to us.

I hope I can visit the children's centre again. I enjoy the visit. In the future, when I grow up, I want to help the needy.
