

My dream job

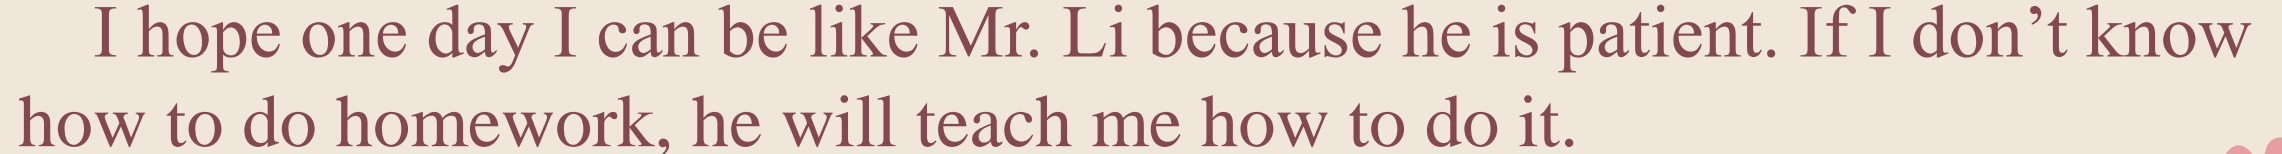

Yip Ka Yan, Michelle (6B)

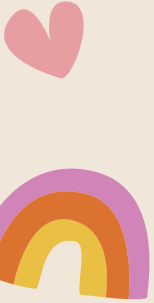

When I grow up, I want to be a teacher because I like children. I want to teach them knowledge so that they can be very smart and clever. I want to share my thoughts and experiences with the children. Therefore, I want to be a teacher when I grow up.

To make my dream come true, I need to study hard and have good results. Therefore, I will read a lot of books, do revision and makes notes in lessons.

I hope one day I can be like Mr. Li because he is patient. If I don't know how to do homework, he will teach me how to do it.

If I become a teacher, I can work at a school. Being a teacher is very meaningful! I will try my best to make my dream come true.
