

My favourite season

Zheng Yu Sum, Madonna (2A)

My favourite season is summer. It is very hot and sunny. So I usually wear colourful T-shirts and shorts in summer.

In summer, I eat ice cream every day and it tastes yummy. I often go swimming with my mum on weekends. I sometimes go to the beach and build sandcastles with my brother. I also have a barbecue with my family. It is exciting.

I like summer because I can eat a lot of delicious food and there are many interesting activities in summer. I am busy in summer but I feel happy.
