Today is my friend Macy's birthday. I baked a birthday cake for her birthday party this afternoon. I was as busy as a bee in the kitchen this morning. I felt very excited.

My mum asked me, 'When do you go to Macy's birthday party?' I answered her, 'I need to go to her home before 1:00 p.m.' My mum asked me, 'How long does it take to go from our home to Macy's home by bus?' I answered her, 'It takes about 30 minutes by bus.'

The bus was very crowded and slow. I stood on the bus for over 20 minutes. I felt tired. I thought I would be late.

In the end, I was over an hour late for the party. I gave the cake to Macy, but she still felt sad and disappointed.
