

The school picnic

Chau Nga Wai, Sophia (3B)

It is the school picnic at Zoe's school. Zoe and her classmates go to Sai Kung Country Park by coach. It is a windy day.

When they arrive, they are happy. They have a picnic. They eat some sandwiches and drink juice. The food is yummy. They feel excited. After the picnic, Zoe flies a kite because it is windy. The kite flies very high. 'Woo hoo! It is fun!' Zoe giggles. Zoe's kite flies into the tree. 'Oh no! My kite is in a tall tree! I need some help!' Zoe cries very sadly.

In the end, so many birds come and get the kite but the kite is dirty and the thread is broken. Zoe cannot play with it anymore. Zoe is upset.

At last, Zoe takes a coach and goes to the market to buy a new kite.
